

Solar PV –

The National Landscape and What's Going on in Your Backyard

Find out more at our Environmental Roundtable

Thursday, October 19, 2017
12:30 p.m. – 1:30 p.m.
Monroe Hall Room 610

Join Andrew Owens Director, Regulatory Research
from Entergy.

His roundtable discussion will be interactive and
invite dialogue with attendees.

Items that will be discussed:
The national landscape for solar,
Drivers for solar adoption,
Entergy's solar activities.

A light lunch will be served. Learn more at
