

**Loyola University Environment Program
Practicum/Studies/Research Directors Evaluation Sheet**

Student Name: _____

I want to take this opportunity to thank you for agreeing to supervise one of our students this semester. I have spoken with you at least once this semester to make certain that everything has been going smoothly. However, I would now like to ask you to take a few minutes to give me your evaluation of the student's performance with reference to their strengths and weaknesses and of The Senior Experience program in Environmental Studies, generally. It is only through your honest evaluation that the faculty will be able to be assured of a quality program. We always seek to improve.

1. Did the student make a positive contribution to your agency or organization? Please elaborate.

2. What was the greatest benefit of having a student placed in your agency or organization? Please elaborate.

3. Are there any areas in which you believe The Senior Experience component of the Environmental Studies program could be strengthened? If so, how?

4. Would you like to have other Loyola students placed in your agency or organization in the future? If not, please explain.

5. What grade would you assign to the student's effort for the work performed? A B C D F
