

Environmental Roundtable

**Culture, Cognition, and Climate:
Why Smart People Deny Climate Change and What We Can Do About It**

Join Robert Verchick, one of our Environment faculty, and discuss his latest research in law and psychology. Check out <http://tinyurl.com/zf7kp5h>

Light lunch will be provided. We hope to see you there!

Thursday, September 8th

Monroe Hall 152

12:30 pm to 1:30 pm
