**VI. Old Business**

1. **Concerns about Planning/Decisions**

Dr. Calzada displayed the draft document, which was previously distributed to faculty. She explained that the document was in response to the lack of transparency in space decisions, was developed in discussions, advanced in the College Planning Team, and reviewed by the Council of Chairs. The assembly further discussed the document and accepted Dr. Fernandez’s suggestions to delete mention of effects on morale, and to concentrate on their interest in transparency and issues of future decision making. Dr. Calzada called for a resolution.

**Motion** was made and seconded: *Dr. Fernandez will edit the last three paragraphs and send the revised document to the College Planning Team.* Move to call the question was made, seconded and passed. Voice vote on the motion was unanimous. Dr. Calzada said the motion passed.

2. **Motion re Part-time Faculty Representation**

Dr. Calzada presented the motion, as previously distributed and reviewed by the ad hoc committee, the College Planning Team and Council of Chairs. A faculty member asked the Parliamentarian if a decision could be made without a quorum. Because no one made a request for a quorum, no count was called.

**Motion:** *The ad hoc committee created to resolve the problem regarding voting issues for part-time faculty proposed the following changes to the HuNS Faculty Handbook.*

**ARTICLE II**

The membership of the Assembly shall be composed of the Dean, the Assistant/Associate dean, and all members of the faculty. Full-time faculty members have one (1) vote and half-time faculty members (defined as part-time faculty teaching at least six contact hours but less than full time in a given semester) have one-half (1/2) vote.

**ARTICLE V**

Procedure for Meetings of the Assembly

1. **Quorum**

A quorum required and sufficient for voting shall be constituted by a simple majority of the full-time faculty of the College, inclusive of the president.

The motion was seconded, discussed, and the question was called. Vote on the motion was by show of hands: 36 in favor, 11 opposed, and 1 and 1/2 (vocally clarified) abstained. The motion passed.
4. **Motion to Establish a Consistent Committee Replacement Policy in the College**

Dr. Calzada displayed the motion of October 18, as made by Dr. Nathan Henne and redistributed with the previous and current agenda. The motion was discussed. A faculty member’s proposed amendment to strike approval by the College Planning Team was disallowed by the Parliamentarian. Vote to call the question was made and seconded. Vote on the motion was by voice, with the majority heard in favor, none heard opposed, and abstentions heard resulted in a show of hands, with five abstained. Dr. Calzada announced that the motion passed. Accepted wording:

*Motion to establish a consistent committee replacement policy in the College of Humanities and Natural Sciences*

HuNS should adopt a consistent policy for replacing committee members when they will be absent (for sabbatical of other planned leave) from college meetings for at least one semester but not for more than a year. For consistency and fairness purposes this policy should apply to: members of all college committees; and to all college members who serve on university committees, unless the university committee has another procedure for replacement in its protocol, in which case the university committee’s policy shall supersede this unified college policy.

*Move that HuNS committee members, elected through the College Election Committee (CEC), who will experience planned absences of at least one semester but not more than a year, shall appoint their own replacements for those committee seats, unless a university committee has an established procedure for replacement in its protocol. These replacements shall be subject to approval by the College Planning Team in an up or down majority vote. If the absence will be for more than a year, the College Election Committee shall run an election to replace the member. If the absence will be for less than one semester, normal proxy rules shall apply. If the absence is not planned and lasts more than a semester, the CEC shall run a new election.*
