Loyola University New Orleans
College Curriculum Committee

October 1, 2014
Minutes

Dr. Robert Brice (Philosophy), Dr. Robert Gerlich (History), Dr. Robert Gnuse (Religious Studies, Proxy), Dr. Glenn Hymel (Psychological Sciences), Dr. Jeremy Thibodeaux (Mathematics), Dr. Joelle Underwood (Chemistry), Dr. Uriel Quesada (Dean's Office).

1. Election of new chairperson. Dr. Jeremy Thibodeaux (Mathematics) was elected chair for the 2014-2015 year.

2. Announcements:

   • 2015-2016 Bulletin
   • Computer Information Systems Proposals and other upcoming proposals

   In order to discuss the Computer Information Systems Proposals, as well as other proposal who may be submitted in the upcoming weeks, the Committee decided to meet again on Wednesday, October 22\textsuperscript{nd}, at 3:30 PM.

3. Program Revision for the Worlds Religion Major and Minor.

   The committee approved the Worlds Religion Major, the Worlds Religion Minor and the new course RELS A396, Religious Studies Research Seminar.

   The committee approved the course ENGL A241, Modern Non Fiction.

5. Chemistry A100 Course Proposal.

   The committee approved the course CHEM A100, Chemistry Prep.

6. The committee instructed the Associate Dean to communicate the following: “The College Curriculum Committee recommends the Dean’s Office to raise the issue of offering courses similar to CHEM A100, Chemistry Prep, in other critical programs to support recruitment and retention”.

7. French A325-La Nouvelle Orleans
The committee approved the course, FREN A325, La Nouvelle Orleans.

8. Game Studies Minor.

The committee decided to table the approval of this proposal until getting the following information and/or clarifications:

a. How often the different courses included in the minor are going to be offered?
b. Do any of the courses included in the minor have to be revised for inclusion in the minor?
c. A detailed academic assessment plan.
d. A revised cost assessment.
